ASM International Chennai Chapter Silver Jubilee Celebrations - 2012

ASM international is an association of professionals and organizations involved in design and use of engineering materials. The society’s mission is to gather, process and disseminate technical information. This is accomplished via an unique global information – sharing network of interaction among members in forums of meetings, educational programs, publications and electronic media.

The Chennai chapter of ASM international, a nonprofit organization, and is in forefront in fulfilling the above mission and stands on front in ASM international orbit with concrete projects. The activities of the Chennai chapter in the past 25 years are abundant, by way of organizing monthly technical lectures, training programs, International conferences, free consultancy support to Small and Medium Entrepreneurs in imparting technical knowledge, solving industrial problems. This is a matter of pride and satisfaction to Chennai chapter.

Chennai chapter promoted student activities by establishing student chapters all over India in engineering institutions, namely, I.I.T Madras and Kharagpur, PSG Coimbatore, Mallam and Manakula Vinayagar Engineering colleges in Pondicherry. Our chapter acts as an interface between industries and academic institutions.

ASM Chennai chapter has won Chapter Excellency Awards at international level. Besides Chapter Excellency awards the Chapter is awarded five star status continually for its activities and to its superb support to industries and educational institutions. This silver jubilee year is very unique event to Chennai chapter, established in the year 1985, and the programme is on 13th-15th Feb 2012.

To participate in the great and grand event, none other than the head of ASM International President Prof. Christopher Berndt is visiting Chennai on 13th Feb 2012 from USA. As a part of Silver Jubilee function he will inaugurate the Training Course on Corrosion, Prevention and Control, jointly organized by ASM International Chennai Chapter and NACE, and he will also address the academicians. Awards for selected industries and researchers will be distributed in the function.

In connection with this Silver Jubilee a souvenir containing articles on recent developments in Materials and Processes by experts will be released. We appeal to the members of ASM and every other like minded organizations (viz) Madras Metallurgical Society, Heat treat association, Institute of Indian foundrymen, IIM, IWS, JSNT etc and most importantly all the industries and business of this country to join us for a successful event.

Our request to all professionals and their organizations to support the event by way of sponsoring and advertising in the souvenir. We solicit your active participation.

Training Course on Corrosion Prevention and Control

About the Course
The course is structured in a way that the persons attending will gain first hand information from basics to specialised knowledge on corrosion and its manifestation, and also the prevention strategies to overcome corrosion related failures.

Who should attend
This two day course provides an excellent avenue for corrosion practitioners, researchers, designers, technical managers, inspection and maintenance engineers, quality control personnel and those involved in failure analysis to update their knowledge on corrosion and its prevention through materials selection and design, coatings, alloying etc.

Benefits of attending
- Understanding basics and various types of corrosion * Corrosion prevention strategies and methods to control corrosion
- Practical knowledge on corrosion related design, fabrication, coatings and failures * Corrosion detection, testing and evaluation methodologies

You carry back
- Lecture notes in CD * List of recommended practices, standards and codes * References of technical literature & books.
- Information on paints and coatings of indigenous manufactures * Knowledge to set up laboratory testing and evaluation of corrosion

Faculty
Faculty are from reputed institutions and industries viz., IIT Madras, KICAR, MML, NIOT and CECRI, Akzo Nobel, Berger Paints, Cortech etc. with long standing experiences on the subjects.

Course Fee
Per Participant.Rs. 5,000/-
For ASM and NACE Member: Rs. 4,000/-
Students: Rs. 2,000/-
Cheque/DD payable at Chennai, in favor of “ASM International Chennai Chapter”.
Add Rs.30/- extra for outstation Cheque.

Kindly quote your ASM/NACE International membership details to avail special fee.
